

This document contains plain text.
Paragraphs are separated by blank lines.
Carriage returns are treated as blanks.
‘Correct use of single quotes’.
“Correct use of double quotes.”
”Incorrect use of quotes.”
”Incorrect use of invalid double-quote character.”
Hyphens are denoted by a single dash: one-dash.
Longer dashes are: two–dash & three—dash.
L^AT_EXno space after a control sequence! Oops!
Fix by putting a “\ ” after the control sequence to enforce a blank:
e.g. L^AT_EX a space now!
An example of doubling up quotes: e.g. “LaTeX is ‘fun’”
